

Regionalism and Globalization in East Asia: Politics, Security and Economic Development, 2007, 324 pages, Mark Beeson, 0230000339, 9780230000339, Palgrave Macmillan, 2007

This book examines the distinctive character and evolution of political systems, economic structures, and security relationships of East Asia, a dynamic region that will profoundly influence global developments in the twenty-first century. Mark Beeson places East Asian development in the unique historical circumstances that have underpinned its remarkable rise to prominence over the last few decades. This multi-dimensional analysis provides the basis for an assessment of current efforts to develop a unified East Asian region.
